Dear Alex,

Thank you for your letter! I'm happy to hear from you again.

I am very excited for this too! I have always wanted to visit your city and you. I think this holiday is going to be great.

I really would like to visit your local restaurants and cafe's, because I like to taste new and different food. We also could have gone to the museum, I am interested in your city's history. I also want to visit your popular amusement park.

And of course I would like to do a downtown. I have always liked that. It is quite interesting to explore new cities.

Actually, I prefer to get around with my legs, but if you don't like it we can hire bikes because public transport is just too boring.

Hi Alex,

Thanks for your letter. I'm really glad to hear from you. I agree with ~~you~~^{people}, this city is actually great! And I also have a lot of positive emotions because I can spend this week with you in this nice place.

I've heard that there is a huge ^(aquapark) waterpark in this city and I'd like to go there. Also, searching for something interesting in this place in the Internet, I noticed "The chocolate fabric" and immediately remembered the film "Charlie and the chocolate fabric", so I really want to visit it. I saw a weather forecast ~~to~~(for) this week and in spite of the snowing I'd like to go to the famous lake. There are so beautiful views. Sorry, but I don't exactly know what I want to do downtown. Let's decide it later.

Now it's winter so I guess that it would be better if we use public transport to get around.

So, I have to leave because I have a lot of homework. May I call you later?

Loves,

Alina.

Hi, Alex,

Thank you very much for writing back.

I very ~~agree~~ agree with that. Your city indeed is exciting.

Well, the first place I would like to visit there is the zoo.

I have heard that this one ~~is~~ ^{is} really big and has lots of animals in it. Ah, you know how I love animals. Also, I am

very into watching films. So why do not we go to the cinema? That one near the dinosaur museum. Oh, right, and

about the museum, Dinosaurs are cool, so why do ~~not~~ not we take a look at this place?

Of course I would prefer^r bikes! I really hate public transport. I mean, the buses are always full of people, but I would like to travel on my ~~own~~ own. Also, bikes are better for sight-seeing!

~~write~~ ^{write} back soon.

Hello, Alex

I'm glad to visit your city and spend one week with you and your family.

There are lots of places to visit, so I can't make my decision! All these castles, bridges and towers are look amazing! That's why I would like to visit some old buildings. After all these places, we should go downtown. I suppose, we will be pretty hungry, so we should eat out somewhere. As far as I know, there are lots of small restaurants and cafes, where we can eat some special English food, like fish and chips or something else. Also I would like to buy some souvenirs. Sure, we should just get around the downtown, because architecture in it is beautiful too.

You asked me about vehicle, which I would choose to get around the city. So I would choose public transport. I will have good chance to see all amazing views of your city.

I'm looking forward this week, not less than you. I want to see your town very badly!

So see you later.

Dear Alex,

I am very glad to hear that you're pleased. I really miss you, hope you're too. Thank you for your inviting.

I would like to visit local restaurants because I'd like to know more about this kitchen. Museums are interesting for me too. I'd like to know about your traditions. So I like walking in the different parks, or something like that because I like nature. I'd like to spend a few days with your family at home.

I would prefer hire bikes because I like transport like those. I want to see your exciting city soon.

Well, I think I answered all your questions. I have some questions too. At the first, where will I sleep? Secondly, will you or your parents meet me at the airport? At finally, what will the weather like there?

Answer me soon.

Subject: visit

Hello, Alex. Yeah, I'm so happy, too! This visit is really important to me.

How are you? Your leg still hurts? What doctor said? I hope you're ^{well} ok. But we still can play videogames. I can't wait to eat your mother's pie. It's so delicious.

Mah, if people say it, that means it's true. Your city is the best. How about river near museum? Or tower? Oh, I know, a festival! It's gonna be so funny!

Also, I want to talk with your school friends, Max and Rosa.

What about transport, I prefer to use bus ¹⁰⁰. After bike my body hurts.

Oh, I'm talked to much. How about you? When you go to my town? I want to show you our lake with ducks. And I still want to introduce you to my friends. My mum said we can visit a restaurant. They do a delicious meat!

Sorry, I have to go. Homework can't wait! See you soon!

Dear Alex,

Thanks a lot for your last letter. I'm glad you're fine! Sorry, I haven't answered earlier because I was busy.

In your letter you asked me about places I want to visit. You've also asked me what transport I would prefer to get around.

Well, I would like to visit several big cities like Moscow or London. I would go to the museum or art gallery. I've heard they're great there.

I rather to hire a bike than use the public transport. In my opinion this kind of transport is more ecological.

I'd finish my letter as I have to do my homework.

Write back soon!

Best wishes,

Lera

Hi, Alex!

I'm glad that you write back to me! When you arrive to my city, we will go to the restaurant, which name is "Mercurus". We can try over than one hundred of beautiful and tasty dishes! Could you imagine that? After that, I show you a Tank museum by open sky. Have you ever seen ~~an~~ enormous steel battle vehicles? You will like that! Did you asked for transport? Oh, I almost forget that. I think, public transport is better, because it's very cheap and convenient. I don't think that bikes is a good idea, because in my town is a very cold and slippery, we can felt out of our bikes.

I'm so happy that you will arrive next week! So, unfortunately, it's time to say "goodbye". I'm waiting you!

Love,

Nikita

Hi, Alex

I am wery funny about my visit. I think we can go to the museum or to the cinema. ~~If in your city is a park~~ If (in your city) there is ~~a~~ park, we can go there. I want to go to the Zoo in your city. At downtown we can go to the cafe.

I tisten that in your city makes the best coffee in the world. I want to watch some old houses or statues in your city.

We can get around on public transport, but we can rent bikes ~~at~~ too. We can go on steps too, because we have legs.

I think we will enjoy all time. This week will be wery cool.

See you later, I would like to get an answer,

Sasha.

Hello Alex,

Thanks for your interesting message. I wanna visit a lot of places, for example - Moon. There you can't ride in a any transport, but so interested to go to a other planet's, right?

If in Earth, actually Sankt-Peterburg, that was a place with very big history, a lot of interesting places, friendly people and with good roads.

I wanna use a public transport, because on actually this transport, you can feel this atmosphere, "join" to the history. Hire bikes was looked cool, but you can't get information from other people about ~~some~~ place, which you get interested. You need a mobile with access to the Internet, but sometimes he have low percent on battery, or u forget to pay for the Internet.

Good luck, Alex

↳ Osha.
